

9 years of business

Over 1500 projects implemented

Today, **FKC INTERIORS** is the leading brand in the Indian furniture industry for providing excellent solutions for Offices, Educational Institutes, Laboratories and Homes. The company is promoted by a group of experienced entrepreneurs whose vision is to be the most preferred and trusted supplier of environment friendly and value based products. The company is headquartered in Noida and has branch offices & business associates across the country.

A strong team of young and dynamic professionals has helped us in achieving our mission “customer’s delight” by providing our valuable client’s: Customer centric, Cost-effective, Timely and Innovative solutions and hence enabled us to have an all around presence on pan-India basis.

As a leading company in manufacturing of furniture, **FKC INTERIORS** has a responsibility to act as a good corporate citizen. At **FKC INTERIORS** we recognise and perform the obligations we have towards our people, investors, customers, suppliers, competitors and the community as a whole. We are striving to be a good corporate citizen by abiding all the rules & regulations of the land.

Quality Management

Quality is not just another goal; it is the principal strategy for future growth. The company is constantly striving to achieve good quality products, by improving the effectiveness of the quality management system by continually reviewing the quality policy and objectives for achieving all around improvement through close interaction with all its stakeholders and to create a value with and for all its employees, customers, vendors, associates and consultants. The company is committed to honour and fulfill all its social, legal and environmental obligations.

Quality Policy

FKC INTERIORS is committed to manufacture furniture solutions of the global design standards, by first understanding customer's expectations and then, to meet or exceed them by providing best value for money and thereby consistently achieving highest level of customer delivered value.
